

Color + finish approval

One clear paint specification for every room and surface.

ORDER RULE

A selection is ready to order only when its room, surface, product, color and sheen are confirmed.

1 ROOM-BY-ROOM SELECTIONS

One row per surface when paint specs differ

Example: list bedroom walls and trim separately if they use different products or finishes.

Tip: label each sample with the room, surface and color ID so it matches this sheet.

Keep the job moving

Resolve open choices, track paint orders, and send the current specs to the crew.

2 PENDING DECISIONS

Name an owner and due date; don't leave a blank for the crew to guess.

ROOM / SURFACE	DECISION NEEDED	DECISION OWNER	DUE	WORK WAITING
